

POINT OF SUCCESS CUSTOM REPORT

Inborne Technology Corporation, the makers of Point of Success software, provides custom report creation services. Custom reports can help provide requested solutions for you and your customers without creating the reports yourself. Our costs are competitive, and our services are reliable.

Follow these steps for your custom report request:

1. Complete the Custom Report Request Form. This gives our reporting experts the information they need to prepare an estimate for our services.
2. Fill out this form and submit the response...
3. A service representation will email the project estimate to you for review and approval.
4. Sign the estimate and return it to the sender.
5. A charge of 50% of the total estimated amount of the approved reporting project will be made to Visa, MasterCard, or American Express credit card.
6. The custom report will be delivered via email attachment after the balance of the reporting project has been made to your credit card.

Complete communication ensures you get what you want the first time. The Custom Report Request Form requires information about the report.

- Data selection questions
- Data sorting information
- Explanation of the nature and use of the report
- Drawing, detail, or examples of the visual layout of the report
- Complete report name, if changing an existing factory report.
- Current Point of Success version, that report is for

Better information gives better finished results -- provide as much detail as possible!

Labor Pricing

- Custom reports are produced for a labor fee of \$149 per hour (minimum .5 hours, which is \$74.50).
- We will estimate the cost involved and provide a written quotation.
- We will never exceed our estimated fee without authorization.
- Dealers are free to make any desired changes to custom reports and distribute custom reports to as many customers as desired.
- A deposit of 50% of the estimated labor cost is required to begin work on a custom report.
- Labor charges are nonrefundable.
- Modifications of reports that differ from the details specified in the original signed Custom Report Proposal Approval form may result in additional labor charges.
